Aura Castor

Embrace your space, together or alone
Office and meeting spaces are changing rapidly and the best way to keep up with the phase is on wheels, isn't it?

Aura chair

Designer Mikko Laakkonen

Inno' s iconic Aura High Back Chair on wheels is a solution for mobility in working and meeting spaces. The friendly form welcomes you and offers an efficient shelter when a quiet moment is needed or social distance appreciated. This award winning design by Mikko Laakkonen is more relevant than ever, and can be upholstered also with antibacterial fabrics.

PRO CHAIR FOUR-STAR ALUMINIUM FRAME

Design Konstantin Grcic

With its elegant four-star foot, it not only cuts a fine figure, but also convinces with a rotatable seat, damped suspension and height adjustment.

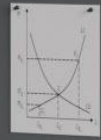

The frame is optionally available in powder-coated colours or in polished aluminium.

AS Multi-Functional studying table

2 legs are out of table, this is for stacking even though the table have drawer box under the table, it is still stackable.

2 legs are out of table, but they are not on the same level, this design makes the table can be put together side by side, and the legs do not fight each other.

Castors available.

Thank you!
